**Pulire bene i cerchi con prodotti neutri. Una volta ben puliti occorre sgrassarli con uno sgrassatore o alcool ed attendere una decina di minuti .**

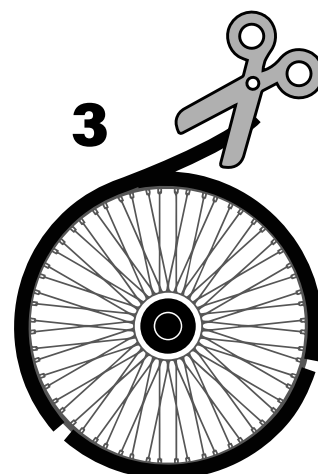

Clean the rims thoroughly with neutral products. Once they are well cleaned, they must be degreased with a degreaser or alcohol and wait about ten minutes.

**Non lavare i cerchi per almeno 24 ore dopo l'applicazione ed eventualmente scaldare le strisce (non troppo da vicino) con phon.**

Do not wash the rims for at least 24 hours after application and possibly heat the strips (not too closely) with hairdryer.
